Message from the Author

January of 2003 is when "Ren Shugi" volume 1 first went on sale, and this fifth volume was completed in December of that year. This truly has been the year of "Ren Shugi" creation for me. It has also been a time in which I've surpassed myself. Now Kujou sensei and I have the same number of years as established professionals. (grin) Uum

CAST

In the same class with Seri and Tamaki. He recommends Seri for the class committee!?

Enrolled in Risuuka at the same school as Seri. Second year student. Lives in a karate dojo.

High school student who loves karate. Second year student in [illegible] and Tamaki's lover.

STORY

Seri attends the last singles mixer of the summer. There, she's reunited with her old karate partner and first love, Tamaki. Tamaki has become bold and overzealous, and because of him the mixer is a complete bust. However, he invites Seri to come live and train at his dojo.

During training, Seri challenges Tamaki to a one-strike sparring match with a handicap, and she's utterly defeated. She must become Tamaki's "toy." In reality, Tamaki invented the "toy" penalty as an excuse to keep Seri with him. Once they mutually realize their feelings, they become bound to each other.

So starts their life of love. ♥ Cheerful Seri must then...

... face a number of obstacles! Among them is Seri's biggest problem: her Futsuuka and Tamaki's Risuuka could force them apart. But with the power of LOVE! Seri is admitted to the Risuuka.

In April, Seri and Tamaki end up in the same class, and Seri unwittingly becomes part of the class committee. Takarai, who is also in the class committee, keeps a watchful eye on Seri and attacks her after school. Seri becomes confused as her heart and her body have mixed reactions... and Tamaki witnesses her in this state.

That's when Tamaki suggests to Seri, "Let's break up"! Seri reels from the shock, but then she finds Tamaki's words on the wall of the dojo...!?

The first half ...? The volume got the digital comic treatment... I'll give my post-recording observation report as a separate page. Tama-chan and Gori revival! Oh, wow. I'm so happy. Volume 4 ended on a uneasy note, and the recording is good... Those two are best suited to bring in the! Yup.

However, I received some letters blaming Gori (i.e. continually being assaulted by Takano), and that really shocked me... My poor presentation may be at fault, but... even when I look at Gori now, I can see how some of the fault is on him! Oh, so this is "second rape"... What a trying time for Gori. The girl has no girl friends, so who is there to help her...? And, just as I feared, I received letters saying that volume 4 was so sickening that some people couldn't bear to read to the end. I regret that, truly. But I will continue to bring you the world of Ren-Sensei unabashed, so please continue to give your support.

Please read this manga in the original Japanese so that you can enjoy the sound effects.

Hello! I'm Minami! Long time no see! This is volume 5 of Ren-Ghugi!!! I can't believe we've arrived at 5 ! This is due entirely to all you wonderful people ♥ Omigosh!!!
I'm ready to publish ten thousand more!! It's pretty much decided how many volumes this serialization will be, but that's still a secret ♥

MINAMI

PREMIUM EDITION DVD.

Included with the premium editions of this volume 5 of Ren-Ghugi (at a price, of course (hehe)) are the limited printings of a mini DVD. In the volume compilation (number 5) the first half, meaning chapters 1-2, got made into a digital anime short! I got to observe the recording!!! ♥
Never in my wildest dreams did I imagine I'd get to observe a recording, and it moved me to tears! Minami has more than just your average admiration for voice actors - and I can't believe I got to meet them in the flesh!! If I had a voice actor for a lover, I'd melt into a puddle on the floor (hehe). I only wish. Omigosh!
Viva la voice actors!! They're the best!!

So this is an episode of "Confession for Takaraa kun" (laugh)~ After reading the preview of vol.5 in Ren-Ai vol 4, some of you have commented that "So vol.5 is the final volume!?" Nah nah, we've still got a long way to go. ♥ Somewhere around this chapter, it seems that Takaraa kun has started to get more popularity and as a Takaraa-lover (← Yo). I'm really glad. As a matter of fact, I'm working on a special chapter for Takaraa kun right this minute (laugh). We'll get a voice actor for him soon, so all the Takaraa fans should look forward to that.

So the second half of the chapter is about the Karate Competition. To a person like me, who usually cares little to nothing about sub characters, it's a really happy and surprising feeling to draw a chapter where every male sub-character in the series will appear... next chapter will be another full-cast episode also, I hope you'll enjoy it.

Because I don't have a photo of them, I drew the following faces based on my memory 🙏 My apology 🙇

cont'd from freetalk

In this time's Ren-Ai special drama DVD 19 clay version! cont'd from 2008

Sara → Terada Haruhi-sama
Tamaki → Katsuragi Kenji-sama
were appointed.

Terada Haruhi-san Sara

She's so-a cute in person! ♥ Her eyes were shooting projectiles (Shoujo-ban) at the recording! And with that voice of hers Sara is so perfect to the seiyuu-san's role as it! Even when she crouched, it was so cute that I got quite excited about it (laugh)

Sara's sweet "sigh" was performed exactly as I wanted to sound like. ✿

Katsuragi Kenji-san Tamaki

He has fully responded to all of Mitsuami's foolish requests about the erotic scenes (Gasp) I'm sorry 🙏 And thank you very much.

He's always very "Tamaki-like" in person. My favorite scene was when he quite cut the mood when Asahi jumped on Tamaki. (Laugh)

Where the ☆ → That was so cool! ♥

Matsubayashi Daiji-san Takaraa

He's the total opposite (!?) of Takaraa. A quite nice strong man (laugh) And it was the best to see him losing shy about the scripts of "TWAT Takaraa is out of words !" was my reaction.

How sweet ♡

He was the voice actor for Asahi. I couldn't get his name 😅 I was really looking forward to Asahi's stage performance, and he did a great job shaping up Asahi's comical personality ✿ !

This chapter belongs to a hot-blooded sports manga!! That's what I felt when I drew it (laugh). To Mizuki, it was a challenge to draw sex pages straight without any dialogues or sound effects right after the "Start!" command. I've really got no sense for monologues, therefore I wanted to express my world of manga through all these soundless drawings - but it's quite difficult.

By the way, my favorite scene in this chapter is when Asaka becomes quite nervous by himself after he tried to stop Tama and Seri's kiss in the movie theater (laugh). It was so American (laugh). Whenever Asaka comes into the scene, even the author herself wants to laugh about it. And the two-shot of Takarai and Asaka were really popular among my circle of friends.

I liked it too! ♥

Anyhow! To all the voice actors/actresses, narrator/sound effects/music related co-workers, and to everybody who's helped out with the recording...!! I thank you whole-heartedly for having made Manamo's small Ken-Ai world into such a wonderful @@! existence! And to my editor, I really appreciate your effort of letting me watch the actual recording!! I'm so glad to be alive! ^^

wahh! (waterfall cries)

SPEEEEEEEEEEECH. a month!

Well, let's change the topic to speeches. If you ask what kind of speech it is... it's the "one advice from your senpai winners" at the Shoujokikan Newbie Comic Competition. Why, I also made my first debut through this competition... however I suck... at the speech I mean... it's not something for Manamo to do! ^^;

once again, I realized that I'm only suitable for the back-stage kinda work. ^^;

The guest speaker at the Award Ceremony was Hokuma Kenchi san who has 40 years experience as a writer!!

What can Manamo say who only has 4-years experience in the manga-ka world (cry)

Therefore, Manamo has told all the newbie winners about the cruel life of a deadline-bound manga-ka.

"No matter how good you are, if you can't make it on time it's over." "It's also a physical battle so please take good care of your health first!!"

I didn't know that I was supposed to say stuff like, "Believe in your ability and let's work towards the future!!"

gya! ^^

Author's notes

There are 2 chapters for this month's magazine... (Yes) There's an additional 3 page side story... it's called, "Pure love lecture for beasts" it'll be recorded somewhere sometime in the future...so please look forward to that day!

Well, this chapter is about their birthdays. When you become a couple, rings are still of course a must...!! but, it's all right even if it's not a pair (laughs)

Two people in love usually exchange and wear rings for each other, but what I've done was to exchange watches.

His size was really big...I could feel the "manliness" there, and my heart was beating so quickly...so simple minded...

Well, well, this time, Tamaki's weakness of dislikeing ghosts and such will surface... He really had an expression of extreme dislike in his face when he saw the old Suzuya house. I thought I drew it rather well (laughs) Little Little Tamaki has become more and more like a poor hero these days. (sweatdrops) ha ha ha.

I LOVE YOU, ENA—

STO...P!
NO MATTER WHAT HAPPENS, I WILL ALWAYS PROTECT YOU—
COME ON! I'M NOT ENA!
I ALL READY TOLD YOU, MY NAME IS SERI!

This was in the 19th volume of 2003, which was the 1st year anniversary of Ren-Shuga (plus a story, to tell the truth) and so I was asked to draw the cover for the issue. What were they thinking? (laugh) There was clothing and other little objects with the Ren-Shuga logo in celebration of the 1 year anniversary. Even Seri would have a finger pointing up in the air, declaring "It's been one year!" "Yeah!!" (wry laugh) The cover design had some really cute finishing touches and I was really happy. (But the meaning may not have been clear to the comics group) By the way, did I do a good job on the 1st year anniversary commemoration? About this chapter... I remember drawing the scene with Seri's hand wrapped in Wakame* over and over (laugh) The Wakame was surprisingly hard to draw—

This is the last chapter of volume 5. In the next volume, Shi and Ena's tale comes to a end (<— That's it!!) —I hope it will give you a different feeling than you get from Ren-Shuga usually. You know, I too once had a boyfriend who gave me a ring— that's not something you want to hear, is it. (' I'm sorry)

I've really put a lot of deep thoughts into this work.
Pink Level 16-year-old KISS was also included
And I'm happy they were included
I've been growing my hair lately I like so much older now, I wanna go to a salon soon
This work is actually Minami's debut work. The basic pattern of all my current works came form this, you can say. And the draft was really flawless at this point. It gave Minami a new light in her mangaka career
deep thoughts 1
Where is Otoya?
SNATCH the Letter of Love
a mistaken route
deep thoughts 2
It was my 2nd color flip. (er, it's hard to call from a b&w manga) I since my last failure in the color flip for "Inside of Her Heart",
I've always thought that "Next time I'll do better!" I'm still coloring my manga pages the same way now though laugh I think I really worked hard back then— well who knows?
brief laugh
deep thoughts 3
Internship vs Deadline!! ...If you don't get what I'm trying to say, well, the deadline for this manga had accidentally coincided with my internship at 3rd year college...sniff It was really hard...I remember doing zones in my classroom before the deadline... dies
I was trying a lot of things back then
The sound of tone cutting and pasting chuck chuck was echoing throughout the room...Thank you so much, all my art teachers and kind ex-miners! I'm so sorry that I can't write mails to you all. Jr. high school fans... so you're all gonna be in High school soon huh?
